

MUHAMMAD MAAZ

Web Developer

+92 3237184063 maazsohail1234@gmail.com maazdev.netlify.app Karachi, Pakistan

SUMMARY

I have 2+ years of experience in web development. I am skilled in a variety of technologies and techniques, including front-end and back-end development. My experience has allowed me to develop a strong understanding of the full web development process and I am able to create user-friendly, and visually appealing websites. I am dedicated professional who is committed to delivering high-quality results and continuously improving my skills.

EXPERIENCE

04/2022 - 06/2023

Karachi, Pakistan

Front End Developer

Divronix Solution

In my role as a Front-End Developer, I specialize in utilizing key web technologies to create engaging and user-friendly interfaces. Proficient in HTML, CSS, JavaScript, jQuery, and Bootstrap, I bring a diverse skill set to the development process.

08/2023 - 02/2025

Karachi, Pakistan

Web Developer

OS Tech Hub

In my role as a Web Developer, I create engaging and functional websites using HTML, CSS, JavaScript, jQuery, Bootstrap, WordPress, and PHP. I focus on building user-friendly interfaces while developing custom WordPress themes and plugins that improve website performance and deliver solutions tailored to client needs.

EDUCATION

2022 - 2025

Karachi, Pakistan

Software Engineering

I have completed a 3-year Diploma in Software Engineering from Aptech Institute.

2023 - 2025

Karachi, Pakistan

HSC Board

I have successfully completed my 12th grade (Intermediate) education in Pre-Engineering from the Sindh Board.

2026 - Present

Karachi, Pakistan

Bachelor of Business Administration (BBA)

Currently pursuing a Bachelor of Business Administration degree.
